Docket Number 1242022a

Writ of Mandamus by Order of this Civilian Court of Record

The Oregon Statewide Jural Assembly (OSJA), an Article III one supreme Court, the only Constitutional Civilian Court on the land and soil of Oregon, found within our Amendment VII common law Court of record that

- B. Suzanne Bonamici - docket number 03092021b
- C. Ron Wyden - docket number 03092021c
- D. Jeff Merkley - docket number 03092021d

as names they are known by, have broken their oaths, have no honor and can no longer be permitted to occupy a position of trust. Our Grand Jury found evidence in the public record that each of them has violated The United States of America's Constitutions 1st, 2nd, 4th, 5th, 9th, 10th, and 12th Amendments. Additionally, in misprision of felony on Article VII amended.

The OSJA Court gave these four individuals 7, 14, 21 days and an additional 30 days to respond to these accusations, but all four have acquiesced 4 times and defaulted to these claims attached herein. (See attached dockets #10072020a,b,c,d and 11162020a,b,c,d)

Additionally, new information regarding Kate Brown, Ron Wyden, and Jeff Merkley have subsequently been discovered showing they knowingly conspired with criminal private parties to defraud the people of The United States and to benefit themselves financially and politically as a result.

We claim Fraud, simulating a legal process, violation of due process, to any that infringe upon our unalienable rights as codified by The United States of America's Constitution circa 1819 thru 1860 and Oregon's Constitution circa 1859 and we demand the de facto Oregon Supreme Court, Oregon Secretary of State and County District Attorneys to remove these four individuals from their de facto positions.

With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitution circa 1859, and The United States of America's Constitution circa 1859. And ORC 20A; Clearfield Doctrine; Accardi Doctrine; ex Parte Young; ex Parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. It specifically denies any Statute at Large (SAL) or treaty until authenticated. Anything federal after 1861 is suspect and needs authentication. Anything connected with STATE OF OREGON OR ANY INCORPORATEED SUBDIVISION and specifically after Nov. 8, 1910 is suspect and needs authentication. These are the governing laws which must be accepted. The DOJ is agent for/to the United States. The entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court considered to have jurisdiction when found in conjunction with Amendment VII Court. The Department of Justice for the United States failed. We must do it ourselves. This communique is not intended to mislead, defraud, deceive, or threaten in any way and is submitted in "good faith and with clean hands". We do lawful not legal and this is our best effort. We reserve the right to define all the words we use and to determine forms of communication.
