

Oregon, without the STATE OF OREGON within The United States of America, the Constitutional republican form of government. Ronald Charles Vrooman, Clerk of Court, General Delivery, Beaverton, OR [97005] 503-641-8375 [ronvrooman38@gmail.com](mailto:ronvrooman38@gmail.com) Docket #10062023-OSJA

**Cease & Desist Order and Claim of Conusance by this Civilian Court of Record  
Notice to the Agent is notice to the Principal. Notice to the Principal is notice to the Agent.**

**Notice: Oregon Health Authority (OHA),  
Dept of Human Services (DHS),  
Children's Protective Services (CPS), et alia  
Oregon Supreme Court, including Civil & Municipal Courts on Oregon  
Law Enforcement Officers on Oregon**

**Taking our children is no longer tolerated! Issuing them case numbers; phony court-issued warrants for arrest of parents; treating the people as chattel is criminal and will be prosecuted.**

The sovereign Oregonian men and women with their children on the land and soil of Oregon, without ruler or subjects are Sui Juris, and thereby have the rightful jurisdiction of the causes which the person(s) in the de facto jurisdiction have commenced out of the sovereign Oregonian's de jure jurisdiction. A Conusance of exclusive jurisdiction; as that no other Court shall hold pica, &c. Hard. 509 Bac. Ab. Courts, D.

Our Civilian Court of Record has been involved in numerous cases where entities in your jurisdiction have churlishly interfered in the lives of people. Policy does not trump people, yet regardless of any issue at hand, "following orders" and following policy -- by your actions -- takes precedent over the people with whom you are dealing. Your policies are not an acceptable one-size-fits-all action. Laissez-faire!

We see the chattelization of us from the point of natus; we see the State of Oregon aka THE STATE OF OREGON claiming authority over us and our progeny; that "our children" are not considered by the-authority-that-should-not-be, to be "ours", but whose responsibility is being superseded by that of the State. We see the creep of authority over us, our freedoms, our health and well-being, and that of our progeny. Attorneys, courts, law enforcement, and the untold minions of policy mongers have no business with us, the people; yet you/they make it a business - your "business" making money on us: through such as the corrupt money-making CRIS system -- a RICO operation, child-trafficking, satanic ritual abuse (SRA), organ-harvesting, sex-slaving, and the adrenochrome-harvesting operations replete on our state, our Nation, and world-wide. No more!

Take Heed!! This is a matter of jurisdiction. Further, it is a matter of morality! Oregonian men and women with their progeny know better than any state, State, or STATE entity, what will serve babies/children/progeny and their parents/grandparents/families. Custody issues must not be resolved by a parent who can afford an attorney to build a case against the other parent to "buy" custody of their child.

We are an ARTICLE III Amendment VII Civilian Court of record that, along with ARTICLE IV Section 4, knows that any federal court whose name begins with United States is not a Constitutional Article III Court. No other courts can claim original jurisdiction. The Oregon Supreme Court has acquiesced to not being able to comply Constitutionally due to an improper oath with a Constitution containing ARTICLE VII (Amended) and (Original). We will need to see any court's bona fides and those of the judge in that court. The Feds at Portland DOJ, FBI, USMS and the State of Oregon aka STATE OF OREGON Attorney General and Secretary of State, 36 Sheriffs and 38 Prosecutors have also acquiesced to the Oregon Statewide Jural Assembly that is ARTICLE I Section 1 of Oregon's Constitution and to ex parte Milligan being implemented and E.O. 100 Lieber code/martial law/FEMA are/is nullified. We have undeniable proof that all the other courts on Oregon are inferior to our people's Civilian Court of record and all Attorneys, Judges, Magistrates, Justices, persons in black robes and clerks are without a proper oath, status, standing, bond and jurisdiction.

**From:** Our de jure Civilian Court of record, an Article III one supreme Court claiming original jurisdiction found in our Amendment VII Common Law Court of record without appeal in fact. Oregonian men and women are one of the people - not a "person" -- neither a U.S., nor United States, nor UNITED STATES "citizen" nor a "citizen" of any of its subdivisions. Should the court or judge or prosecutor or attorney or police, without jurisdiction over the sovereign Oregonian people, seek to contest this Claim and Demand, provide your written declaration to the name and address provided. Otherwise, they will have acquiesced to this document.

You have 7 days, 14 days, and 21 days to rebut or you acquiesce and default three times. Thereby, relinquishing all holds on all sovereign men, women with their progeny on Oregon.

Cease & Desist Order and Claim of Conusance

Docket #10062023-OSJA

For the people of the land-on-Oregon are the slaved-by-the-color-of-the-law with the Maritime Law-Courts-Sham-Hearings of the Oregon Revised Statutes with the seeking of the justice by The United States of America's Constitution and State of Oregon Constitution circa 1859.

Oregon, without the STATE OF OREGON within The United States of America, the Constitutional republican form of government. Ronald Charles Vrooman, Clerk of Court, General Delivery, Beaverton, OR [97005] 503-641-8375 [ronvrooman38@gmail.com](mailto:ronvrooman38@gmail.com) Docket #10062023-OSJA

By order of our superior Court, we are the provisional government on Oregon, the State among the several States of The United States of America's Constitution and Oregon's Constitution circa 1859. We are removing the de facto incorporated governance on Oregon and replacing it with our de jure government and this is the manner we think proper. Any authority or so-named Health Authority and its subdivisions, over us is null and void and will not be complied with nor honored.

**With full faith and credit** governing law is established in this document at this time to be: Declaration of Independence; Articles of Confederation and perpetual Union; Oregon's Original Constitutions circa 1859, and The United States of America's Constitution circa 1859. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13<sup>th</sup> and 14<sup>th</sup> amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court. I would consider to have jurisdiction when found in conjunction with Amendment VII Court. The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." We do lawful not legal and this is our best effort. We close with Love, peace, harmony and a prayer.
