Presentment and Notice of Arraignment

Our ARTICLE III, Amendment VII Civilian Court of Record held Court on the 12th of February, A.D. 2024, hosting a well-attended Grand Jury hearing on behalf of Michelle Rene Ropp Hendricksen in which we found a preponderance of evidence of numerous violations perpetrated on and against Michelle beginning on the 9th of February, A.D. 2021 and continuing through last Saturday, the 10th of February, A.D. 2024. By all evidence, and actions of unrelenting constructive malice by various Law Enforcement entities (LEOs), their violations, and the institutions they serve, which are listed at the end of this document – **a Presentment – also serving as a Notice of Arraignment to those who have grossly violated Michelle Rene Ropp Hendricksen's lawfulness, dignity and freedom. She has been extorted and kidnapped and her activities and right to freely travel were interrupted, and quite actually, she has been harassed, traumatized and terrorized unnecessarily and against all good judgment.**

This is a jurisdiction case moving thru the de facto system from the LEOs thru several courts – each and all of them who must prove their bona fides when this case is filed. There is law; equity and admiralty, and Article I and Article III and Amendment VII. ARTICLE VII (Amended) and (Original) et alia. Identify your court. Michelle will be filing into each one a Claim seeking remedy. If the Court fails to provide remedy as guaranteed in their charter, they cease to be. This case cannot afford to go unrecognized in Admiralty! We herein notice Risk Management with a \$250,000 fine per incident as written in 18 U.S.C. § 3571.*

The Grand Jury is sending Presentments to the Prosecutors involved, Notifications to the Sheriffs and USMS, OSP, USDOJ, Oregon Provost Marshal and J.A.G., office of County D.A., Nancy Cozine, FBI, USMC, State of Oregon Deputy SOS Cheryl Myers, and to the Commander in Chief, Donald John Trump at two locations; issued as well are True bills to our Article III Amendment VII Civilian Court of record claiming original jurisdiction.

There were 35 mind-body-soul-flesh-blood-spirit men and women on the land and soil on Oregon, who appeared from our Jury Pool with their bona fides in order. Once provided with the preponderance of evidence – **“Deprivation of Rights Under Color of Law”, “Deprivation of Due Process of Law” and “Failure to honor and respect Michelle Rene Ropp Hendricksen's status, standing and jurisdiction”, their decision was a unanimous “Yes”.** An additional out-of-state witness, also voted “Yes” to the unanimous decision. The Grand Jury proceedings have been posted on our website and on the internet as, in Common Law, everything is open, honest and true and is on the public record. Nothing is hidden.

Those of you listed on pages 4 and 5 are hereby Noticed for your Arraignment to be held ten (10) business days from the postmarked date. You are hereby ordered to appear at your address listed on page 5 when our Court will arrive the day of Thursday, 29th of February, A.D. 2024, time determined by us and our travel-ability. At that time, you are to take the Constitutionally lawful actions or you acquiesce to breaking your oath, having no honor, and being unfit to serve in your position. In 30 days this truth stands as fact in law, at which point we will take further action.

With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of *Confederation and perpetual Union*; *Oregon's Original Constitutions circa 1859*, and *The United States of America's Constitution circa 1859*. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13th and 14th amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court.

The DOJ has failed miserably in their responsibility. We must do it ourselves. We define the words we use. We decide our method of communication.
